Questionnaire

Aggregate of questionnaires on the current state of Northeast Asian studies in Russia

Participating Universities and Research Institutes

- #1 Seoul National University, Institute for China Studies
- #2 Seoul National University, Kyujanggak Institute for Korean Studies
- #3 Dankook University, Institute of Asia and America
- #4 Kookmin University, Institute Of Eurasian Studies
- #5 Busan University, Center for Korean Studies
- #6 Korea Research Institute For Human Settlements
- #7 Sungkyunkwan University, Academy of East Asian Studies
- #8 Dongkuk University, East Asian Cultural Institute
- #9 Hongik University, Northeast Asian Business Management Institute
- #10 Dankook University, Institute for Japanese Studies
- #11 Dankook University, Institute of Oriental Studies

We would like to thank all of the anonymous participants for their cooperation with this questionnaire.

#1

Q1	Seoul National University, Institute for China Studies
Q2	Gwanak 599 Gwanak-ro, Gwanak-gu, Seoul 151-742, Korea
Q3	Tel: +82-2-880-9192, Fax: +82-2-871-0446
Q4	Director: Lee, Keun
Q5	Established to provide support for China-related research materials in Seoul University, and advancing scholarly inquiry in Sinology through networking academic human potential with a focus on the social sciences.
Q6	China-related “Policy Symposium”, international academic conferences, regular invitations of foreign academics, “China Forum”, “Chinese Policy Forum”
Q7	Full-time faculty (research staff) count: 0 persons Part-time faculty (research staff) count: 0 persons Administrative staff (including part-time) count: 2 persons Steering Committee: 9 persons, Consultants: 11 persons
Q8	No data received
Q9	No data received
Q10	No.
Q11	Yes(http://plaza.snu.ac.kr/~chinasnu)
Q12	Nihon University, Chinese and Asian Studies College of Economics (Japan)
Q13	[2007] ①Assessing China’s Power: Economic, Political and Social Dimensions (International Symposium) ②The Future of China and Korea-China Relations (Korean-Chinese 15 th Anniversary International Symposium) ③Regularly scheduled China forum and Chinese policy forum [2006] ①China, 2006 assessment and 2007 outlook ②Regularly scheduled China forum and Chinese policy forum [2005] China forum and Chinese policy forum [2004] Founded July 1 st , 2004
Q14	Yes. Foreign ministry research personnel power “Chinese Government’s Regional

	Economic Development Planning, Strategy and Recommendations” i) Book [Publication language: Korean]
Q15	Workshop Name : Politics and Diplomacy Committee Principal activities (Research themes, etc.) : Chinese politics and diplomacy studies Workshop Name : Economy and Industry Committee Principal activities (Research themes, etc.) : Chinese economic development and industry Workshop Name : Socio-cultural Committee Principal activities (Research themes, etc.) : Chinese sociological and cultural studies
Q16	China, South Korea, North Korea, Japan, Russia, Mongolia
Q17	Economy, government, diplomacy, society and culture of China, and Sino-Korean cooperation
Q18	Methods: ①Invigoration of academic exchanges through networking ②Parallel policy research and scholarly studies; that is: theoretical studies and practical studies carried out in parallel Objectives: Data not submitted Perspectives: Data not submitted Other: Data not submitted

Q16	China, South Korea, North Korea, Japan, Russia
Q17	<p>Korean studies: ①Korean history, culture and language, ②Korea-Japan relations studies, ③Unification issues research, ④Pusan University studies, ⑤Locality and humanities (research objectives of global locales including South Korea)</p>
Q18	<p>Methods: Researchers from various fields such as humanities, sociology, engineering form a single team and pursue scholarly studies to produce shared research results, thus enhancing links between the humanities and other disciplines.</p> <p>Objectives: Thus far, the principal research activities of the institute relate to Korean culture and history, unification issues, Korea-Japan exchanges and Pusan University; research for the growth of ethnic identity and Korean ethnic culture. This and Korea-Japan exchange studies were the mainstream focus. However, the theme chosen as the 2007 Korean Academic Promotion Foundation Korean Humanities Support Project field was “Locality Humanities”, and is expected to spur studies onward through this new field. Carrying out locality research in the domain of the humanities, we hope to break fresh ground in this new field of “localology”</p>
